HOW TO *USE*

This Discussion Guide is a tool designed to help Faith Foundations small group leaders facilitate discussion. Each chapter follows the outline of the corresponding episode. It highlights the important points, helps you remember the key quotes and verses, and provides you with loads of intriguing discussion questions to keep things lively. Use it to get an idea of where the episode is going and how young people are reflecting on what's been covered. It's designed to help you, not limit you. The conversation in your small group is not confined to the questions written in this book or the points we've highlighted. It's all here as a springboard to help you take the conversation further than you could without it.

NOT A SECRET

Don't feel like you need to keep the content of this guide a secret from the students in your group. We wrote it knowing that someone in your small group will want to steal it from you to see what's in here. Students will be glad to know that you have some of the quotes and verses in front of you so you can come back to them in conversation.

THREE QUESTIONS

Each episode is designed to be paused three times for group discussion (prompted by on-screen questions and street interviews). A countdown signals the end of each discussion break. The street interviews are meant to spark ideas and opinions and help create conversation. We've highlighted these questions in the discussion guide so you know what's coming and where you are in the session.

SUPPORTING QUESTIONS

Sometimes the question on the screen doesn't spark enough conversation, so we have included several supporting questions to help you keep the conversation alive and capture the imagination of students. Don't feel limited to these. You can be creative and throw some other questions into the mix.

MAIN POINTS

We have gone through each episode and highlighted the main points for you. This will help you navigate where we've been and where we're going. It will also help you facilitate conversation and remind the group of what has been said.

VERSES & QUOTES

We put some of the most important and interesting quotes from each episode in here. These seem to come up in conversation quite often. Instead of saying, "You know when Hakeem and Atsu said something like . . ." you will know exactly what was said. We've also included Bible verses with references so you can come back to them in conversation and point to where they are in the Bible.

MORE QUESTIONS

The three breaks for conversation throughout each episode are there to help students stay engaged—but they're just the beginning. To take the conversation deeper and help students put what they're learning into practice, we have included a handful of follow-up questions to help you lead a time of discussion after each episode is done. We recommend setting aside 10–30 minutes. Don't feel like you need to follow these questions exactly. Choose a few, mix up the order, and add your own to the mix. Let the conversation flow naturally as the students respond with their own questions from the episode.

A NOTE FROM THE TENX10 TEAM

Dear Youth Leader,

As much as we hope these videos will help your students learn and grow in their discipleship to Jesus, the real secret to this whole series is this: small groups are the most important part. We spent thousands of hours making this series, but it really just sets the table. The impact of Faith Foundations is possible because of people like you: adult mentors, volunteers, and small group leaders who show up to that table, help young people pull up a chair, and lead a conversation where youth feel heard, respected, and loved. That's what students will remember and that's what will impact their lives. Letting students know that they have a seat at the table helps them to learn that their stories matter to the church—and that the church matters to their stories.

At the end of the day, we need you more than you need these videos. We are praying for you as you encounter bizarre questions, awkward silences, and stunning stories. You are going to do great. Keep one ear to the students and the other to Jesus. And don't forget: love listens. Oftentimes it's not the words that you share, but the way you listen that will make the difference.

Cheering you on,
The TENx10 team

THE INTRODUCTORY SECTION OF THIS GUIDE HAS BEEN ADAPTED WITH PERMISSION FROM THE ALPHA YOUTH SERIES DISCUSSION GUIDE.

TIPS & GUIDELINES FOR HOSTING DISCUSSION

- Discussion in small groups is the most important part of every Faith Foundations session. Facilitating discussion is not about reteaching any of the content from the episode—the goal is to create a safe space where everyone can share openly and honestly and ask questions.
- Remember, the Discussion Guide is just a guide. Use these questions to spark conversations and bring it back on track when needed.
- This is a journey. The more time you spend together as a group, the more people will feel free to open up and share their opinions.

GUIDELINES FOR THE GROUP

- You don't have to talk if you don't want to.
- You can ask or say just about anything (as long as you aren't putting other people down or making it so others can't talk).
- Respect each other by listening to and allowing different opinions.
- Keep things confidential when you leave the group.

TIPS FOR SMALL GROUP LEADERS

- Watch the training video.
- Remember names.
- Pray (this will also help you remember everyone's name).
- Be committed.
- Show up early to welcome students.
- Stay long enough to chat with students afterward.
- Keep the conversation alive and balanced.
- Be encouraging.
- End on time.
- Respect each other by listening and welcoming different opinions.
- Keep things confidential when you leave the group.
- If time allows, debrief with other small group leaders to celebrate wins, chat about challenges, and share prayer requests.

***NOTE TO LEADERS: ANYTHING WITH AN ASTERISK IS A NOTE FOR THE LEADER.**

DISCIPLESHIP

EPISODE 1 → ***SUMMARY***

In John 10:10 Jesus says, “I have come that they may have life, and have it to the full.” We all long to live a full and flourishing life, and Jesus says that the life we are all looking for is found in him. But how exactly do we receive and experience the life he promises? The short answer: by going on the lifelong journey of discipleship. Discipleship, or apprenticing under Jesus, has three main priorities:

- Be with Jesus
- Become like Jesus
- Do what Jesus did

The goal of ordering your life around these three priorities is presence, or union with God, not perfection. The journey of discipleship includes moments of doubt and pain, but Jesus models and gives permission to show up honestly—to be real with him and others. The ultimate aim of discipleship is to become a person of love, mirroring the character of Jesus.

DISCUSSION

How would you define the concept of apprenticeship?

***IF YOU HAVEN'T ALREADY, GIVE EVERYONE A CHANCE TO INTRODUCE THEMSELVES.**

***KEEP IT LIGHT. THERE WILL BE TIME TO GET TO THE DEEPER STUFF LATER.**

SUPPORTING QUESTIONS:

- What do you love about the character of Jesus? What are some of the reasons you follow him?
- Reflect on someone you currently follow (whether on social media or a role model in real life). Why do you follow them? What characteristics draw you to them?

DISCUSSION

What role does doubt play in our relationship with Jesus? What makes doubt something that can help that relationship? When might it hurt that relationship?

SUPPORTING QUESTIONS:

- What has your experience with doubt been in your faith journey? Have you been discouraged from asking questions, or encouraged to openly wrestle? How has this impacted your view on doubt?
- Do you find it easy or uncomfortable to openly share your feelings with God? How does your understanding of how God views your emotions affect what and how you communicate with God?

DISCUSSION

What do you think it means to be someone who loves unconditionally? How is that similar to, or different from, how most people think about love?

SUPPORTING QUESTIONS:

- What is the greatest challenge we face in extending love to others?
- How can you better love people you disagree with or who are different from you?

MORE QUESTIONS

- If you spent three years as an apprentice with Jesus (which is how long the 12 disciples spent with him), what about your life do you think would change?
- Have you ever thought about your relationship with God as an apprenticeship or journey? How does this perspective change the way you approach your relationships, decisions, and actions?
- What if we lived every day like God's got nothing but the best in store for us? How would that flip the script on how we see ourselves? And how would it change our outlook on God?
- In what ways can you be more real and authentic with God about your doubts, struggles, and pain? How does knowing that Jesus also experienced suffering and can empathize with us in every way give you hope?
- How do the examples and actions of some people who call themselves Christians impact the way you view Jesus and the idea of living a full life?
- Why do you think love plays such a central role in our apprenticeship with Jesus?

PRACTICE NOW

EULOGY VIRTUES & RESUME VIRTUES

- *Step 1:* Write a list of eulogy virtues—the kinds of things you want people to say about you at the end of your life.
- *Step 2:* Then take a few moments to write some of your resume virtues—the skills you’ve learned, your education, your work ethic, or other things you think would qualify you for a job.
- *Step 3:* Take a few minutes to reflect on the difference between the two lists. Ask God to help you as you begin or continue this journey of apprenticeship with Jesus.

PRACTICE THIS *WEEK*

READ & REFLECT

***ENCOURAGE STUDENTS TO PICK ONE OR TWO OF THESE AND TRY DOING IT WITH A FRIEND. AFTER THEY'VE GOTTEN TIME TO REFLECT, THEY CAN SHARE THEIR THOUGHTS WITH THEIR SMALL GROUP OR A TRUSTED FRIEND. THE MORE WE PRACTICE THE WAY OF JESUS IN COMMUNITY, THE MORE WE GROW.**

- Grab a journal and reflect on the following questions: How does discipleship as apprenticeship change the way you see your relationship with God? If you really embraced being an apprentice of Jesus, what would you do or think about more? What would you do or think about less?
- Read Matthew 11:28-30 and reflect on the following questions: If there was one thing you wanted Jesus to teach you as his apprentice, what would it be and why? How, or maybe from whom, do you think you can learn more about that aspect of following Jesus?
- Ask one of the adults in your life who made the biggest impact on their own growth as an apprentice to Jesus. Why did they have such an impact? How does that experience shape your own version of being an apprentice of Jesus, and what do you want to do about it?

BE WITH JESUS

EPISODE 2 → *SUMMARY*

This episode is all about the first priority of a disciple: be with Jesus. The two key ways we can practice being with Jesus are:

- Remaining aware of his presence with us, and
- Paying attention to the ways that God is at work all around us.

Being with Jesus transforms our lives and impacts every part of who we are. Discipleship is a whole-person transformation process. And the Holy Spirit plays a key role in this transformational journey of discipleship. A relationship with the Holy Spirit, God's empowering presence, is how we can practically be with Jesus. The Spirit also empowers us to follow the way of Jesus and provides guidance and comfort every step of the way. When we create space to be with Jesus through prayer it helps us stay connected to God all throughout the day.

DISCUSSION

Who do you look up to? What do you admire about them?

SUPPORTING QUESTIONS:

- Have you ever hung out with someone long enough that you started to mimic them? What mannerisms, tone, inflection, words, or body language did you pick up on?

DISCUSSION

How can we shift our perspective and see everyday moments as opportunities to connect with God?

SUPPORTING QUESTIONS:

- How would you describe the Holy Spirit?
- Do you typically find yourself easily distracted or fully present in the moment? Why do you think that is?
- In a world oriented around distraction, immediate gratification, and busyness, how can we actively give Jesus our attention?

DISCUSSION

What is the greatest obstacle you experience when you try to pray? Is it being honest? Silent? Listening? Why is this an obstacle for you?

SUPPORTING QUESTIONS:

- What comes to mind when you hear the word “worship”? How do you practice worship in your relationship with Jesus?
- In what ways would you want to add more prayer, Scripture reading, or worship to your life?
- What friend or mentor could ask you periodically about how you’re doing with those goals? What frequency of check-in or type of questions could they ask you?

MORE QUESTIONS

- Why do you think being with Jesus is a crucial first step in discipleship?
- How can we cultivate a desire to be with Jesus in our lives?
- If you were to introduce someone to the person of the Holy Spirit, what would you say? Envision a classic friendly introduction: “Hey, this is my friend Holy Spirit, _____.”
- What is the biggest distraction keeping you from spending time with Jesus? Maybe things like too much screen time, or an ongoing addiction—or even more positive things like academics, sports, or friends. What is one specific limit you can set to reduce the influence of this distraction on your heart, mind, and time?
- What is one area of your life where you long to experience the power or presence of the Holy Spirit? Maybe it’s an area of weakness, a bad habit, a painful circumstance, or a big decision you’re trying to make. Take a moment to share with two other people in your group and pray for each other to experience more of the Holy Spirit in that area.
- In what ways can we create space for silence and listening in our prayer life? How can silence help us connect with God?
- What are some examples of worship going beyond just singing songs? How can our whole lives be lived as an act of worship to God?
- What practical steps can we take to be more intentional about being with Jesus in our daily lives? How can we prioritize our time and attention to cultivate a closer relationship with him?

PRACTICE NOW

PRAYER OF EXAMEN WITH PHOTOS

Open up your camera roll and start scrolling through your photos one by one. Pause on a photo or memory that catches your attention and ask yourself, “Where was God in that moment?” Practice being honest with what comes up.

Still looking at the photo, take a couple seconds and reflect on what you did, said, or thought in those instances. Were you drawing closer to God, or further away?

Then ask, “God, what were you thinking as I went through this moment?” and listen for what comes up.

PRACTICE THIS *WEEK*

HABIT SWAP

We'd love for you to intentionally take an assessment of your time this week and then commit to shifting more attention to your time spent with Jesus.

Step 1: Notice a Habit. Start by checking your average daily screen time at the end of each day and then reflect on the following question:

- What does your screen time and app usage tell you about your attention span? What do they tell you about your desires?
- During each day, notice where your mind drifts or what you think about in the in-between moments of life.

Step 2: Habit Swap. Swap out the habit of scrolling, watching TV, or playing video games with taking five minutes to turn your attention to Jesus in prayer and worship. Five minutes is a great place to start each evening. If you want to try something longer than five minutes you could try this stretch practice:

Set your alarm just ten minutes earlier than usual this week and try the following pattern:

- Two minutes to get out of bed and grab your Bible (this will shake the temptation to snooze),
- Two minutes of worship with music,
- Two minutes of Scripture reading (Read Luke 10:38-42 and reflect: Do you identify more with Martha or Mary in this story?),
- Two minutes of silence to reflect, and
- Two minutes of prayer. (Try writing down your prayers to God in a journal, on your phone, or on any piece of paper.)

BECOMING LIKE JESUS

EPISODE 3 → ***SUMMARY***

This episode unpacks the second priority of our apprenticeship with Jesus: becoming like Jesus. We are all becoming someone. It's not a matter of if we are being formed, it's a matter who or what we are being formed into. Discipleship to Jesus is all about becoming like him—a person who reflects the character of Jesus marked by the fruit of the Spirit, which are love, joy, peace, patience, kindness, and more. Apprenticeship with Jesus moves us beyond being fans of Jesus to active participants in his lifestyle, adopting his practices, rhythms, and habits for long-term spiritual growth.

DISCUSSION

How do you think advertisers and marketers influence the way we think and what we value?

SUPPORTING QUESTIONS:

- In what ways do you see social media, movies, shows, and video games shaping your identity and the kind of person you are becoming? In what ways are these influences likely positive? In what ways might they be negative?
- What strategies or actions do you think can help us be more intentional about the kind of person we want to become?

DISCUSSION

In what ways do you see Jesus as a model for the kind of person you want to become? How do his characteristics, such as love, joy, and patience, inspire you?

SUPPORTING QUESTIONS:

- Discuss the significance of Jesus choosing ordinary people like his disciples to follow him. How does this challenge the notion that only the exceptional or extraordinary can be followers of Jesus? How does it inspire you to know that Jesus believes everyone can become like him?

DISCUSSION

Did any of the spiritual practices catch your attention? If so, which one and why?

SUPPORTING QUESTIONS:

- Which spiritual practice do you engage with the most naturally? What do you like about that practice the most?
- Which spiritual discipline is the hardest for you to practice? Why?

MORE QUESTIONS

- What's the difference between being a fan and being a follower of someone?
- Reflecting on the concept of becoming like Jesus, what are some specific qualities or characteristics you admire about him that you would like to incorporate into your own life?
- What would it take for you to be able to say a week from now: "I'm a more loving person this week than I was last week"? What posture shift, heart change, or actionable step can you take toward extending greater love to others this week?
- Read Philippians 1:6 together.
 - How does this verse impact your perspective on transformation? What peace of mind does this verse provide you with?
- Why are spiritual practices often called spiritual disciplines? Why is discipline important in shaping your character and relationship with God?
- As you practice two spiritual disciplines this week (one that comes naturally to you and one that may be more challenging), how can you incorporate increased discipline into your routine?

PRACTICE NOW

DISCIPLESHIP IN COMMUNITY

Using the list of spiritual practices from the episode (Prayer, Scripture, Public Worship, Singing, Baptism, Communion, Care for the Poor, Hospitality, Living in Community, Eating and Drinking, Sabbath, Healing, Fasting, Solitude, and Celebration) think about which spiritual practices are present in your church/youth group and which are absent.

As a group, decide on one that is currently absent from your community to focus on in the next month. What will you do together as part of that practice? How might that practice help you become more like Jesus?

PRACTICE THIS *WEEK*

READ & REFLECT

FOR STUDENTS WHO MIGHT WANT MORE TO PRACTICE, ENCOURAGE THEM TO PICK TWO OR TRY ALL THREE AS A STRETCH PRACTICE.**

- Read Romans 12:2 and then reflect on the following question:
 - What do you think are the biggest influences in today's culture that are forming your friends and other people your age?
- Grab a journal and reflect on the following questions:
 - Who or what are the biggest influences in your life that have formed you into the person you are today?
 - How have they encouraged you to follow Jesus? How does the way they live point you to Jesus?
 - What about their character, or the way they have spent time with Jesus, do you want to make sure you replicate?
- On a note card write down one characteristic of Jesus that you love the most and put it in a spot that you'll see everyday. Whenever you see this notecard, take a moment to pause and say a quick prayer: "Jesus, thank you for your _____ . Help me to become more like you today."

BECOMING LIKE JESUS

EPISODE 4 → ***SUMMARY***

Today we are landing the plane with the third and final goal of apprenticeship with Jesus: do what Jesus did. Jesus' life gives us a model for how to live our lives, and the early church serves as an example for us, as well. Discipleship goes beyond simply reading the Gospels and appreciating Jesus; it is about actively doing what Jesus and the early disciples did. And we don't do this alone—we do it together as the church. The mission of Jesus continues through us, the church, as we partner with him in our world today.

DISCUSSION

In what ways have you personally felt compelled to take action and make a difference in the world?

SUPPORTING QUESTIONS:

- In your opinion, what does your generation care about that aligns with what Jesus cared about?
- Do you have friends who don't know Jesus, yet are involved in justice work and committed to improving our world? What do you think their motive is? How is that similar or different to what motivates us as followers of Jesus?

DISCUSSION

What story from the life of Jesus stands out to you and why? What would it look like for you to live out, or imitate, that story today?

SUPPORTING QUESTIONS:

- Based on how Jesus interacted with others, what did Jesus stand for?
- What is the difference between appreciating Jesus and imitating him?

DISCUSSION

Have you talked about your faith with someone who doesn't share your beliefs about Jesus? What was it like?

SUPPORTING QUESTIONS:

- Why can it be difficult to talk to others about your personal faith?
- If there's someone your age who has helped you better follow Jesus, or maybe first introduced you to Jesus, share about that person. What did they say or do that resembled what Jesus would say or do?

MORE QUESTIONS

- If you were to summarize into three words what Jesus did on earth, what would they be?
- Where in the Gospels do we see Jesus standing up against injustice? Share together and identify what you can learn about Jesus from these interactions, teachings, or actions.
- How can you incorporate small steps to live more like Jesus in your everyday life?
- Read Acts 2:42-47 together.
 - What stands out to you about the way the early disciples engaged in community with one another, and what can we learn from them?
- How does your church or faith community reflect the actions and teachings of Jesus? What ministries or initiatives are in place that align with the values and mission of Jesus?
- Take time collectively to pray for the schools represented in your youth group. Pray for opportunities and courage to share the story of Jesus and to stand up against injustice in the halls and classrooms, and for the wisdom to navigate disunity among peers. Pray for your classmates, administration, and teachers!

PRACTICE NOW

FINDING THE OVERLAP

- Step 1: *Notice*. Write down a list of the things that bring you deep gladness.
- Step 2: *Name*. Then make a second list of things you know the world needs. Name the needs, the areas of hunger that stick out to you.
- Step 3: *Pray*. Spend some time praying and processing with God about how your gladness can intersect with the world's hunger.
- Step 4: *Go For It*. Whether it feels big or seems small, go for it! Once you get a sense of how your deep gladness intersects with the world's hunger, start to act on it. Talk to a few people in your group about how you could do these things together.

PRACTICE THIS *WEEK*

BETTER TOGETHER

***LET YOUR STUDENTS KNOW ABOUT THE VARIOUS MINISTRIES THAT YOUR CHURCH IS ALREADY DOING AND BEFORE THEY LEAVE, ENCOURAGE THEM TO PICK ONE TO GET INVOLVED WITH.**

- Grab a group of two or three people and decide to go to church and sit together this week.
- Read through one of the Gospels (Matthew, Mark, Luke, or John) with someone in your group, and don't just appreciate what Jesus is doing, but ask each other how you can imitate it.
- Find three friends from your church/youth group who would be willing to commit to praying for your school on a weekly basis. Find a time to pray in person or start a group chat to keep each other accountable to pray regularly.
